Pediatric care Africa

“Donkeys delivering dreams” in 2025

Charity Pledge

Start Date and time: Tuesday 8st April 2025 from De Rust in front of the De Rust Hotel 08h00

Our return date is 17 days later Thursday 24th April 2025 finishing in De Rust at the De Rust Hotel

Companies and individuals are invited to sponsor our charity “Donkeys delivering dreams” charity ride for each kilometre done and completed by Dr Andre by donkey cart. Options: R1 per km, R2 per km, R5 per km or R10 per km completed by our PCA driver or a straight “once of donation” of any amount of your choice.

Per km sponsors only pay after the charity ride is completed and when the total km’s rode is confirmed on our return to *in De Rust at the De Rust Hotel*.

In the event of the donkey cart or its driver having an incident or is forced to abandon the charity drive, sponsors will only pay for actual kilometres done before abandoning the trip. A GPS pin location and coordinates and the safety vehicles odometer will be used to confirm the exact actual

distance travelled, combined with our live location apps we will have an accurate indication of distances travelled.

The odometer reading will be taken down by a nominated party and two witnesses at the start of the charity donkey cart ride event of the support vehicle and at the end of the charity drive and photos of the odometer will be taken on both occasions.

The route distance to be travelled is 500km (Five hundred kilometres only)

Our rider for this Pediatric care Africa charity Donkey cart ride is Dr J. Andre Hattingh the Founder and Chairman of Pediatric care Africa.

The donkey cart will be followed and be accompanied by an assistance vehicle towing a trailer.
